WHITE FENCES & RED ROSES

As Fall begins to grizzle around the edges and show the unmistakable chill of the next season, we return in thought to the summer past and some of the high points. We are so fortunate to live in a resort area to which thousands flock in the warmer months. One of the spots high on the list of the tourist is Martha's Vineyard only minutes from the mainland of Cape Cod by ferry but enough removed so that the wild development which is destroying the Cape has not yet crossed

the water. On the Vineyard, Edgartown is a gem. The blinding white of the house fronts and the wonderful variety of the fences are enlivened by the blooming roses that flourish in the salt air. The bluffs of Edgartown overlook the waters of a protected harbor which is guarded by a lighthouse, of course, since this is typical New England at its most ideal. Across

will be preserved to remind us of what existed on this coast and hopefully, one of those pockets may include our own town.

Those of us who know and love the north-east coast have no yearnings for the "tene-ments for the rich" (the condominium) but prefer the sun-washed fronts of the white cottages with the space in between so that the salt air moves and the sea shines through - open to the view of those who pause to drink it in. If this is an ideal, why not? Ideals are made to hold fast to. DCJ

BUSH AND QUAYLE WINNERS IN TOWN VOTE

On the local scene of the National Election Tuesday, November 8th, Mattapoisett voters turned out with a big 86 percent, where the national average was only 50 percent going to the polls.

Town Clerk Lois K. Ennis said this percentage is about average for Mattapoisett, with an 85 percent in the last three national elections. With the new voter tabulator machine it took only five minutes to get an unofficial count, the Town Clerk explained. But, because of some ballots having lines drawn where there was no name, about 79 had to be counted by hand, she added.

Of 3957 registered voters, 3403 went to the polls, resulting in the 86 percent vote.

PRESIDENT AND VICE-PRESIDENT

Bids for Boiler Too High

MATTAPOISETT SELECTMEN'S MEETING
NOVEMBER 8, 1988-by VIRGINIA MORGAN

Selectmen last Tuesday expressed dismay at the two high bids received for removing the old boiler, installing a new boiler and removing the asbestos from the Fire Station.

Fire Chief Donald C. Wood said, "I want heat. The decision is yours." The Chief asked Jonathan Henry of Marion, one of the bidders, how long after work is started before the station can have heat. Mr. Henry responded five days.

Walter Morgado of the Fire Department and in the heating business, felt the bids are "outlandish". He felt the bids should be put out again. "Here we are getting the boiler and pipes free as a donation from

Plumber Supply Company of New Bedford, owned by Mattapoisett resident James Jones, and it will cost over $5,000 just to install the new boiler", said Mr. Morgado.

Alan Fales, heating consultant, also expressed disapproval of the charges where a fee is paid on the contractors' end to dispose of the asbestos.

Selectmen Chairman William F. Hubbard said two legitimate bids came in; a third bid came in at a much less figure but it arrived in the office one half hour late. "We will take the bids under advisement."

The bidders were RAC Services, Inc. of Church Street, Mattapoisett, $9,460, to remove the old boiler and install the new one, and $1,250 for the asbestos removal. The other bidder was Jonathan F. Henry of Marion who bid $11,499 for the total job.

Selectmen agreed the bids are high and asked Mr. Henry why the high cost. Mr. Henry said two men would be paid $1,800 per day for the asbestos job part, plus there is a disposal fee to be paid to the DEQE. He explained there is more asbestos there than can be seen wrapped around the piping. "This is intensive work to remove asbestos and we have to pay the prevailing wage," said Mr. Henry.

Mr. Fales added he felt the DEQE would consider the emergency procedure with no heat in a fire station and will issue a permit as soon as they receive the notice from the Town. Ordinarily, it would take at least 21 days from the day filed with DEQE with

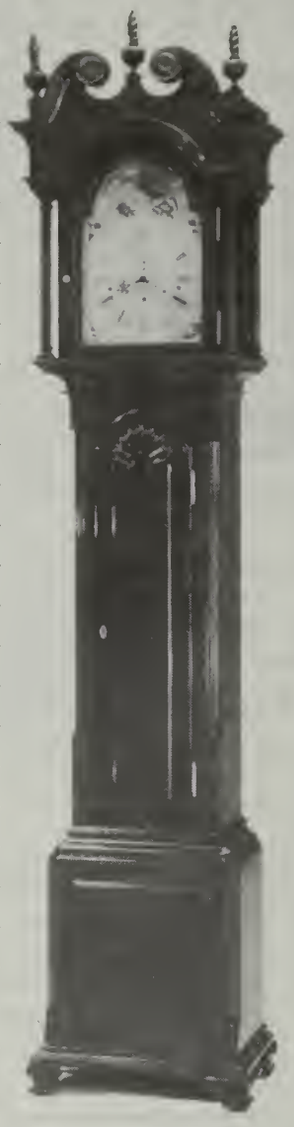
GODDARD



Inspired by the delicate designs and carvings of the famous clock maker, John Goddard, this antique reproduction style grandfather clock measures time with ageless elegance. Crafted of the finest cherry solids and veneers, the case displays Goddard's love for detail — in the three flame carved finials gracing the bonnet, the carved shell on the locking wooden front door and the beautiful carved feet. Goddard's tradition of fine detail is also reflected in the exquisite moon phase dial. It features intricately hand-painted floral sprays in the spandrels, a separate second trac disc above pierced hands, and a unique calendar aperture below. Roman hour and Arabic minute numerals grace the dial's chapter ring. The cable wound, triple chime movement plays your choice of Westminster, Whittington, or St. Michael's chimes.

In other business, Selectmen:

RECEIVED A LETTER from Kenneth Pease, a concerned citizen, expressing "irritation" with a sign placed on Route 6 prior to the national election last week on which the Board of Selectmen (William F. Hubbard, John N. DeCosta and Bernard F. Talty) endorsed Bill Straus as Representative in the 10th Bristol District, of which Mattapoisett is part.

Mr. Pease wrote: "The inference shown by the above sign that the Town of Mattapoisett endorses -- Bill Straus -- 'STINKS'. Has Mattapoisett gotten to the point in its political stage where we have to bow to POLITICAL BOSSES to make our decisions for us?

"The Selectmen of the Town of Mattapoisett have at this point, THROWN DOWN THE GAUNTLET and from this point on there will be no loyal oppositions. No longer will they be allowed to govern in comfort and tranquility. They have spit in the face of the electorate and I am going to ask the electorate to spit back."

Selectman John DeCosta remarked that the sign was up part of the day the day before the election and the portion with the Board's endorsement was removed as soon as Mr. Pease's complaint was received.

Selectman DeCosta told this reporter he apologized if anyone was hurt by the sign.

Mobil Unleaded Detergent Gasolines
• Competitive Edge
• Quality • Choice

Mobil is introducing a new grade of unleaded gasoline in your market. The new product will be called Special Unleaded and replaces Regular.

In addition, the other grades will be renamed Unleaded will become Regular Unleaded and Super Unleaded will be named Super+ Unleaded.

The new line-up at a glance:

Now	Octane	Before	Octane
Regular Unleaded	87	Unleaded	87
Special Unleaded	89	Regular (leaded)	89
Super Unleaded	93	Super Unleaded	92

Mobil's new 89 Octane, Special Unleaded, is designed to satisfy the octane requirements of older cars and trucks running on leaded gasoline.

In addition, some drivers currently using 87 Octane may prefer the higher octane of the new 89 Octane Special Unleaded.

All grades of our unleaded gasolines are formulated to keep carburetors and fuel injectors clean.

Mobil's Super + Unleaded has high octane, plus an advanced detergent formula, for rapid clean-up of both carburetors and fuel injectors.

SUPPORTED Selectmen in the Town of Duxbury who are urging all governing bodies in the towns and cities of Massachusetts to support seeking legislation to ban beer and wine commercials from radio and television.

A resolution urges the Massachusetts Congressional delegation to take the lead in passing federal legislation to ban the advertising of all alcoholic beverages from radio and television. The alcoholic beverage industry has a powerful and effective lobby. Previous attempts to attain this worthwhile public policy goal have failed. "We believe this 'grass roots' approach can succeed," the letter from Duxbury Selectmen stated.

WERE INFORMED by Keyes Associates, architects and engineers, that the firm expects the Mattapoisett Dam improvements to go to bid this coming spring and to be constructed next summer. The permits do not permit construction during the period March 15 through June 1 due to the fish run.

The project has been delayed due to the permitting process and the fact that the engineering contract expired in the meantime. "We have now received all necessary permits and are currently in the process of negotiating a new contract. So it appears the project should progress well next year."

WERE NOTIFIED by Attorney Margaret A. Ishihara of Fleming and Ishihara that the Town will agree to settle the claim against Ford Motor Company for the defective engine in the ambulance upon payment of a total of $3,481. This sum will include $3,328.50 for rental of the STAT ambulance from New Bedford, reimbursement for the insurance deductible, $100. and STAT ambulance rental on September 8, 1988, $52.50.

This settlement is acceptable to Police Chief James F. Moran, since the engine was replaced at the beginning of September 1988. The town should understand that once the settlement is made the Town gives up any further right to make any further claim against the Ford Motor Company for the defective engine.

ATTORNEY TO BE GUEST SPEAKER

The Mattapoisett Woman's Club will welcome Attorney Elizabeth H. Kunz of Schaefer and Kunz as guest speaker for the November 17th meeting. Mrs. Kunz, whose law practice has an emphasis on real estate, estate and estate planning, and business, will speak on how these legal issues may touch one's own life, through real estate ownership, having to manage after the death of a spouse, or through care of the elderly. Mrs. Kunz wants each of us to know that, with preparation, one can be in control of one's own life. The meeting will be held Thursday, November 17th, at 1:00 p.m. in Reynard Hall at the Mattapoisett Congregational Church.

Members of the Executive Board are reminded that their November meeting will be immediately prior to the club meeting, 12 noon, at the church.

ATTENTION: PARENTS OF ORR SENIOR HIGH STUDENTS

On Monday evening, November 21st, from 6:45 to 9:15 an Open House will be held at the high school during which you will be able to have appointments with teachers to discuss your children's academic progress. Because of the large turnout, appointments on this evening should be limited to five minutes. Student report cards will be given to parents that evening from 6:45 to 7:30 in the hall near the main office. You will then have the opportunity to make appointments with teachers for specific times; student secretaries will be available outside of each room to assist you.

Marion Coterie

Nuclear Energy from Electrical Power to Ships...Good or Bad? This will be the subject during the Marion Coterie's next session on Tuesday, November 22nd, at 7:30 p.m. in the library of Saint Gabriel's Episcopal Church in Marion.

Karl Sittler of Marion, a long-time protagonist to those favoring nuclear endeavors, will set the tone for the negative side. Mr. Sittler has studied the nuclear energy situation for many years relative to the environment and the safety of humankind. This will be an open forum and all are welcome to present their views...and to learn the pros and cons of both sides of this controversial subject.

Christian Church Service

A Church Service will be held at the Mattapoisett Christian Church, 5 Church Street on Sunday, November 20th at 3 p.m. The Rev. Nehemiah Boynton will be the guest minister. The public is invited.

Ecumenical Service

An ecumenical Thanksgiving Service will be held on Tuesday evening, November 22, at St. Anthony's Church at 7:30. This service is jointly sponsored by St. Anthony's, Mattapoisett Congregational Church and Friends Meeting. All are welcome.

Conservation Conference

The Conservation Department of the Massachusetts State Federation of Women's Clubs will hold a Conservation Conference at Tabor Academy's Lyndon Hall South on Monday, November 28th, from 10 a.m. to 2 p.m.

The subjects will cover many phases of

Fair Noel

Fair Noel is to be held on December 3rd at St. Gabriel's Church in Marion.

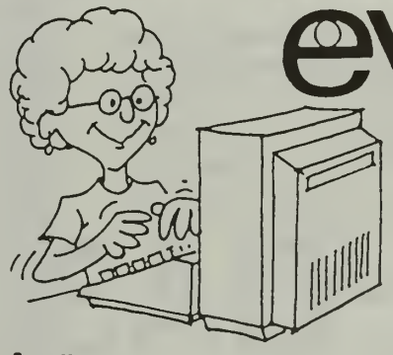
This year's specialties include homemade jams and jellies, candy novelties, frozen entrees and appetizers, wreaths and greens, old fashioned pot holders, spirited cakes, plum puddings, various baked goods, trinkets and treasures, elegant boutique items and Aunt Sarah's Gift Shop (a room set off by itself where small children can purchase gifts for their family at a low cost and have them wrapped free).

Come have your picture taken with Santa Claus, then stay for a homemade soup and sandwich luncheon including a delicious dessert.

Oysters on the half shell will be a big hit once again.

Items for Fair Noel 1988 raffle include 2 homemade sweaters (1 adult and 1 child's size 12), a decorated wooden rocking horse, a needlepoint Christmas stocking, a gingerbread house and a large Christmas tree.

If anyone has any questions please call 748-0984 or 748-1375.



eye talk

Q. I can't see my video display terminal screen clearly with my bifocals. Is there a solution?

A. You may need to switch to trifocals, at least for wear on the job.

Trifocals give you three lens prescriptions--one for distance, one for near and one for intermediate distances, which is where your VDT screen is.

New wide-band trifocals have been developed specifically for VDT users. They provide not only a clear view of the VDT screen but also a full view. Regular trifocals provide only a partial view, so the wearer has to move his or her head to see the full screen from top to bottom.

The first step in relieving VDT-related eye complaints, however, is to have a thorough eye examination to diagnose and correct existing vision problems or inefficiencies. VDT work can aggravate these.

After evaluating your vision and reviewing your on-the-job vision demands, your optometrist can determine how to solve your work-related vision needs.

Ideas generated at this meeting consisted of a Volunteer Program, a resource list of available speakers, to have SCORR representatives communicate to various groups and clubs; also to make a calendar of events and to research the possibility of purchasing a silk screening press for posters and shirts. Various fund-raising activities were also discussed and Carol Richardson suggested sending representatives of SCORR to a Grant Writing workshop in Lakeville.

Halloween Happening

Halloween spirits lingered a little longer in Rochester this year. Due to the construction of the Memorial School, the "Halloween Happening", sponsored by the PTA, was held on November 4th at the Rochester Woman's Club. Cathy Van Reenen, Jeanne Sylvester and several volunteërs organized a successful fun-filled evening for approximately 350.

Visitors of the "Ghost Walk" were met at the door by the "Mummy", gym teacher Gary Cushman. Indian guide Annie Bucchere and Ghoulie guide Marilyn Booth then took small groups into the cemetery where Graveyard Monster Jo-Anne Charon jumped out from behind gravestones to spook those who entered.

Lightning flashed through the Victorian house, beautifully drawn by Sandy McKinlay. Walking by the lagoon, a swamp creature, Kathy Johnson, lurked in the seaweed and snake-infested waters waiting to grab those who dared come too close. Down in the

dungeon, the grim reaper Lenny Sleutel stood at the guillotine ready to behead a poor soul, David True. Our fair damsel in distress, P.T.A. Co-President Lucy Rounseville, stood locked in the stocks, rattling her chains in a rat infested jail. Count Dracula, Michael Bray, offered to shake hands while the Phantom of the Opera, Mary True, played her favorite eerie tunes on the organ. On the way out a dear old witch, Lisa McCusker, sat rocking away with her basket, passing out goodies to those brave enough to accept.

Downstairs, parents served refreshments of apple cider and home-baked goodies. Parent and teacher volunteers also ran games of ring toss, pin the wart on the witch's nose, bowling, bean bag toss, pumpkin dunk, clothespin drop and bingo.

In the castle, loaned to us by the Decas School, a "mystery game" was played. Blindfolded children reached into different bowls and tried to guess the contents. Also in the castle our Gypsy, Kindergarten teacher Jackie Demers, looked into her crystal ball and told the children their fortunes.

The "Halloween Happening" was a great evening for parents, teachers, and especially for the children.

Thank You

Letter to the Editor

Referring to the recent newspaper articles concerning fumes emitted by Stratton Finishing Co., Inc., we would like to clarify several facts.

First, it was stated at our meeting at the Town Hall last Tuesday that the noxious vapors from the spraying of awlgrip products (not paint) are dangerous, toxic fumes, not just "a bad smell".

Second, it wasn't mentioned that in spite of the Cease & Desist Order, this business is still being allowed to operate with a limit of 30 minutes of spraying daily.

Third, Bruce Mathieson stated that his "business is better than others in town". Other boatyards, however, spray only 1 boat at a time or have stopped using awlgrip entirely because it was causing other

You liked it, so let's do it again!

Fourth, according to Massachusetts law, any business is not allowed to create "a bad odor condition" off its own premises. Therefore, back in September we asked the Board of Health, and later the Selectmen, to help prevent these toxic fumes from penetrating into our homes and endangering our health.

Veterans' Update

Veterans Administration converted to Cabinet Status. On October 25, 1988 President Reagan's signing of the "Department of Veterans Affairs Act", caused the Veterans Administration and all VA Medical Facilities to become part of the newest (14th) and one of the largest agencies in the cabinet.

Administrator of Veterans Affairs Thomas Turnage said "This is the most significant day in America's long history of providing comprehensive services to those who have defended freedom and democracy --- our veterans". This will focus more governmental and public attention on veterans

Jan.'89 Social Security Changes

MATTAPOISETT COUNCIL ON AGING

Your Mattapoisett Council on Aging would like to inform you of the changes effective in January 1989 in your Social Security checks.

The checks Social Security beneficiaries receive on January 3, 1989 will reflect a 4.0% increase in benefits. Most SSI recipients will also receive a raise effective with checks due on December 30, 1988. SSI recipients should remember that a "raise" means an increase in their total income, not necessarily an increase in their SSI checks.

The basic monthly premium for Medicare insurance (Part B) will increase to $31.90 per month. The premium for 1988 was $24.80.

Also, beginning January 1, 1989 Medicare coverage will be expanded to include catastrophic health care costs. The benefit changes to expect in January 1989 with the Medicare Catastrophic Coverage Act of 1988 are as follows:

Medicare Part A:

Annual hospital deductible of $564. (deductible adjusts each year)

No limit on hospital days

150 days/calendar year for skilled nursing facility (SNF)

Requirements of admission to SNF within three days of a hospital stay is eliminated.

Persons on Medicare will pay $20.50/day for first 8 days of stay in a SNF (amount/day adjusts each year).

Drug and Alcohol Awareness

PARENTS AND TEENS INVITED

Are you a parent concerned that your teenager may be drinking or using drugs? Are you unsure about what rules to set -- and how to follow through with them? If so, you are invited to attend an Awareness Hour entitled "Drugs, Alcohol and Adolescents" sponsored by the Marion Center for Human Services on Saturday, November 19th, from 10:00 a.m. to 12:00 noon. The presentation will be held at the Marion Center's offices at 335 Wareham Road in Marion. Any interested parents, as well as teenagers, are invited to come to listen, to ask questions and to get some support on these issues. The event is free of charge, although donations are welcome.

The presentation will be given by Robin Cambra, Certified Alcohol Counselor, Licensed Social Worker and staff member at The Marion Center. Cambra is also a school counselor at Tabor Academy and a teacher in the Wareham public

schools. He has nine years' experience working with adolescents and families and has given a variety of workshops on drugs, alcohol and other issues.

"Parents have such a hard time setting limits and boundaries about alcohol and drugs", Cambra comments. "This awareness hour is a chance to hear some information and suggestions, to get some support and, most important, to ask a lot of questions."

Cambra will describe signs and symptoms of alcohol and drug use -- what to look for in order to tell if your children may be drinking or using drugs. He will then discuss options for professional and peer support, counseling and treatment.

Cambra will then discuss what he feels is the key reason kids turn to alcohol and drugs: low self-esteem. "Most teenagers are very fragile and vulnerable", he explains. "They feel a lot of pressures, and they don't feel good about themselves. Drugs and alcohol are a way to numb these feelings out and to feel okay at least for a little while." Cambra feels that parents can play an essential role in helping their children develop good self-esteem. This is not only a valuable goal in itself, he says, but will also help alleviate children's need for drugs and alcohol.

This awareness hour is the fourth and last in a series sponsored this fall by the Marion Center for Human Services. The Center is a community-based multi-service licensed mental health clinic serving families and individuals in southeastern Massachusetts.

ANNUAL PROGRAM PLAN

The Special Needs Department at Old Colony Regional Vocational Technical High School announces the availability of its proposed annual Program Plan for public comment. The proposed plan is available for public perusal and comment during regular business hours. Questions concerning the proposed plan may be directed to Mr. Thomas Hibbert, Jr., SPED Administrator.

The proposed plan covers the goals, procedures, implementation, and expenditures incurred in the process of complying with the Special Education Laws, Chapter 766 for the State and Pl 94-142 for the Federal Government.

O.C. TO ASSIST MATTAPOISETT

The Welding Department at Old Colony Regional Vocational Technical High School will undertake a project to assist the Town of Mattapoisett with the winterization of buildings at Ned's Point.

The Old Colony students will fabricate steel doors for two town buildings. The doors will be fabricated in the welding shop, then transported and installed in Mattapoisett. Old Colony instructor Robert Bettencourt will coordinate the project. The project is being undertaken at the request of the Mattapoisett Board of Selectmen.

Old Colony Regional Vocational Technical High School, has been selected to present a statewide workshop this month. The workshop is being sponsored by the Massachusetts Department of Education.

The workshop will review the procedures for automotive programs to become certified by the National Automotive Technicians Education Foundation. Mr. Mosher, who is certified by NATEF, will work with educators from Massachusetts who are interested in having their automotive programs certified in the future. Old Colony remains the only NATEF certified program in Massachusetts.

The NATEF standards of excellence are uniform throughout the nation. They have been field tested and validated by teams of experts assembled under the auspices of the Automobile Mechanic Training Evaluation Project and directed by the Industry Planning Council of AVA. Employees therefore have a common measure for job applicants and an assurance that these applicants have completed a training program of high quality.

Mr. Mosher will present the day-long workshop in Franklin, MA.

SOCCER PLAYERS VISIT ROCH. MEMORIAL

Recently five Old Colony soccer players, under the direction of Coach Mike Forand, traveled to Rochester Memorial School to put on a mini-soccer clinic. The event was a great success. Danny DeCosta, Scott Leaver, Matt Contois and Eric Gallant spent the day demonstrating passing, shooting, heading and throw-ins to an excited and enthusiastic group of second through sixth graders. The Rochester Memorial Schoolers had the opportunity to shoot soccer balls at Danny DeCosta, a Mayflower League All Star Goalkeeper, and over 300 were quick to participate. The soccer team was well received and enjoyed by all.

Mr. Gary Cushman of Rochester Memorial thanked the squad and made an official request to have them back next season.

Annual Mission Conference

"THANKS BE TO GOD" is the theme of the 1988 Missions Conference at Long Plain Baptist Church of Acushnet November 16-20.

The Rev. and Mrs. Herbert Rambikur of W. Kingston, R.I., who have served 40 years in Argentina, will be the keynote speakers at 7:00 p.m. on Wednesday. The Rev. and Mrs. John Polloni of New Jersey show and explain a video of their work with Trans World Radio with stations in Bonaire, Cyprus, Guam, Monte Carlo, Sri Lanka and Swaziland. The Rev. and Mrs. Richard Wilson are new recruits heading for a church planting mission in Venezuela and will share throughout the conference week.

The missionaries will participate in two home meetings on Thursday at 7:10 p.m. Mr. and Mrs. Edward Macomber of Acushnet and Mr. and Mrs. Scott Ashley of Rochester serve as hosts for these meetings. A ladies luncheon is planned at the church at noon on Friday with Mrs. Doris Rambikur

Mattapoisett Board of Appeals

by VIRGINIA MORGAN

DECISIONS ANNOUNCED

Three Special Permits, granted by the Mattapoisett Board of Appeals, were announced on October 28th.

Stanley F. and Helen C. Mann, 99 Livingston Road, Wellesley were granted a special permit for alterations to a single family house on a non-conforming lot, which is owned by the applicants at 5 Mattakiset Road in the Antassawamock beach section. The applicants plan to raise the house six to seven feet and reset on a new foundation; to construct a two story addition over the existing deck and kitchen; to construct a porch and deck to provide a carport; to build a dining area and kitchen;

to install a second floor bathroom over the kitchen; to construct a second floor porch over the dining area and to add dormers and skylights.

The new deck and porch on the east side of the house add approximately 360 square feet to the existing building of 816 feet, a 44 percent increase on a small lot and an intrusion on the open area. The increase in height, the additional square footage and other structural changes will result in a marked increase in the mass of the applicants' house on this small site. This application presents a close case to the Board as they considered the effect on the fragile Antassawamock Beach area of possible future requests for structural changes of a similar magnitude from other landowners. A number of neighboring landowners appeared at the public hearing in support of the application. No one appeared in opposition.

The special permit was granted because the board finds the proposed alterations will not be more detrimental than the existing non-conforming structure to the character of the waterfront district.

The second special permit was granted to Allen T. and Shirley K. Parker, 20 Ocean View Avenue relating to property at that

address, in the Brandt Island section of town.

Alterations to the single family dwelling include enclosing an existing 8 foot by 9 foot deck located between the dwelling and the garage; install sliding glass doors. There will be no change in the footprint of the structure and there is no intrusion on the open area of this small lot. A number of neighboring landowners appeared in support of the application; no one appeared in opposition.

Brandt Island Road relating to property at that address owned by the applicants.

The proposed alterations are to an irregular-shaped narrow lot having sidelines of 414 feet and 557 feet running generally east and west between Old Brandt Island Road and Brandt Island Road, 99 feet frontage on Old Brandt Island Road and 166 feet frontage on Brandt Island Road, containing approximately one acre. The single family dwelling facing Old Brandt Island Road was in existence at the time of adoption of the Zoning By-Law in 1967. The lot, in its present configuration, however, was established by an April 6, 1984 subdivision. Upon creation of the new lot, the current rural residence district density regulations become applicable. The lot meets the size and frontage requirements, but does not meet the 30 foot sideline setback requirement.

The applicants propose to add a 10 foot breezeway and a 20 foot by 26 foot garage. The applicants explained they acquired the property in 1987; that the house has no cellar and no garage; that placing the garage to the rear would require relocation of the septic system; and that the proposed location of the breezeway and garage par-

Mattapoisett Accountant Appointed

Paula Eubanks, a Mattapoisett resident, currently employed by J.G. Hodgson & Company, CPAs of New Bedford/Fall River, was recently appointed Director of Meetings of the Southeast Massachusetts Chapter of the National Association of Accountants. The local NAA Chapter, formerly known as the New Bedford/Fall River Chapter, is in its 42nd year of service to the professional accounting community in the area.

BCC Theatre

BCC Theatre Rep will present David Rabe's Hurlyburly November 17, 18 and 19 at Bristol Community College. The drama, designed for mature audiences only, provides challenging roles for BCC students, who experience the "real life" pain of their characters, according to Artistic Director Rylan Brenner. "The play hits you right in the face with the struggles of alienated men in Hollywood's decadent cocaine-laden culture," said Brenner.

The play's shocking realities stirred the emotions of the BCC Theater Rep actors. In response, they wanted to do something positive to help area people who are suffering, said Brenner. Brenner and the actors will donate the proceeds from one performance to an area shelter for battered women.

Hurlyburly takes place at 8 p.m. in the Arts Center Theater on all three evenings. A matinee performance is also scheduled for 1 p.m. on Friday, November 18th. Tickets are $6. for general admission and $3. for students and senior citizens.

Attend Anytown, U.S.A.

Thirty years ago the National Conference of Christians and Jews initiated a program known as Anytown, U.S.A. Each summer Anytown camps are held all over the country. The purpose of Anytown is to help teenagers learn about good citizenship, tolerance for racial and religious diversity, and the privileges and responsibilities of life in a pluralistic society.

Three years ago Anytown New England was established for high school juniors and seniors in the six New England states. Old Rochester Regional High School has sent student delegates each summer. Student participants in the past have included Karen Gracia, Joyce Senna, Dana Palmer and Lori Ross.

ERICA ERNST, GARY GRAY AND KELLIE ARRUDA

Delegates to Anytown represent a variety of racial, ethnic, religious and economic backgrounds. Through a variety of workshops and personal experiences students learn about prejudice and discrimination, and their long-term effects on society as a whole. Delegates learn to interact with people from differing backgrounds, develop leadership skills and develop problem solving skills while working in a group.

Last summer ORR students Kellie Arruda, Erica Ernst and Gary Gray were delegates to Anytown. All three students feel they gained a valuable experience in understanding others and themselves. According to Ms. Ernst it is important to attend the program "with an open mind, let yourself shine through and don't be afraid to show your emotions". Mr. Gray felt he learned what prejudice really is and how to fight it through a "greater respect for human beings". The atmosphere was very "friendly and caring" according to Ms. Arruda who made many close friends she would have never known. Ms. Ernst felt it was an environment that gave her "insight" as to how the world could be and how she could help make it a place of harmony. All three students recommended the program to students who want to gain from the experiences, cultures, ethnic backgrounds, and religions of others. Mr. Gray summed up the Anytown experience by saying "Anyone attending Anytown who didn't make any good friends or learn anything didn't really go to Anytown".

RECEIVES OUTSTANDING SERVICE AWARD

Barbara Crowe, a resident of Mattapoisett and a member of Psi Chapter, Delta Kappa Gamma Society, International, received the Area III Outstanding Service Award for 1988 at the Alpha Upsilon State Fall Workshop in Springfield this past month.

ional, and Apponequet school systems, is a charter member of Psi Chapter, which was formed by Elizabeth Hastings and chartered on April 4, 1957. The Delta Kappa Gamma Society International was founded in Texas in 1941 to unite women educators of the world. The Society has chapters in all 50 states of the United States, 3 states in Mexico, Costa Rica, El Salvador, Finland, Great Britain, Guatemala, Iceland, Norway, Puerto Rico, Sweden and The Netherlands with a total membership of 160,000 women educators. Locally, Psi Chapter is best known for its annual Essay Contests, which involve students in Grades 7 and 8 and in the high schools of the area -- both public and private.

Nominated by her chapter because of her dedication to the work of the chapter and of the Society, the state also recognized the work she has done and does do as a member of the organization and chose her as the recipient from Area III, which is comprised of six chapters located in southeastern Massachusetts.

Selection of the area recipients is made by the Coordinating Council of the state, which weighs the chapters' nomination forms. The choice is made on contribution to the local chapter, the state organization, and promoting the ideals of the Society. Barbara has served Psi as President, Vice President, Nominating Chairman, Membership Chairman, World Fellowship Chairman (8 years), and Essay Contest Chairman for many years. In ad-

Tobey Hospital

MORE NEW TECHNOLOGY

Beginning this month at Tobey Hospital, area residents will have access to the latest in diagnostic technology. Magnetic Resonance Imaging (MRI) is a new, non-invasive method that produces images of the body without using radiation. Instead, the images are obtained through the use of a powerful magnetic field and radio frequency energy. David Charbonneau, Radiology Director at Tobey, notes "For some studies, particularly with portions of the brain and hearing canals, MRI imaging is preferred to CT (computed tomography) scanning. Tobey will continue to provide CT scanning services. The acquisition of the MRI technology will further enhance our clinical capabilities."

The public is invited to tour the mobile unit and learn about its capabilities at an Open House at Tobey on Tuesday, November 22nd, from 4 to 6 p.m.

According to President Charles S. Kinney, "A hospital the size of Tobey is able to provide this state-of-the-art equipment by sharing the service with other hospitals." He explains, "We have been working with eight area hospitals over the last two years to bring this technology to our community. Through the consortium, one of two mobile units will be at Tobey one day every other week. Sharing technology is cost-effective."

Patients will be scheduled for MRI testing at Tobey beginning late November.

Friends of Wholism

NOVEMBER BRUNCH

Friends of Wholism is an organization to network and celebrate human potential. Each month an event is planned that introduces a topic of interest to the community. On Sunday, November 20th, the speaker will be Helen Ansley giving a program on "The Fun, Fantasy and Philosophy of Aging". This event begins at 10 a.m. and will be followed by a wholefoods brunch at 11:30. The cost is $10., for members $8., and reservations are requested, and can be made by calling Louise at 993-1151. The November brunch program will be held at Nemasket Gallery located at 56 Bridge Street in Fairhaven.

Helen Ansley is a consultant on aging, a 1921 graduate of Smith College, and at the age of 88 has definitely earned her M.L.E., master's of life experience. For the last 14 years she has explored a holistic approach to aging and has lectured to people of all ages about a positive view of the later years of life. Helen's words speak clearly: "Now is the time to relinquish our archiac and barbaric views

of aging, dying, and death and replace them with intelligent, creative, and practical concepts."

A recent newcomer to the southeastern Massachusetts area, Helen brings a wealth of knowledge and perspective from her involvement with two projects while living on the west coast. One was SAGE, Senior Actualization and Growth Explorations, a research program in which she was a participant that evaluated the effects of holistic health on the lives of 60, 70 and 80 year olds. The other was Telos, an educational program for older adults at a community college, which offered "older" students a chance to experience old age as a time of fulfillment, and a way to acknowledge the aging process with creativity and dignity. Census figures show that 29% of the Greater New Bedford population is 62 or older.

Wholism is a basic approach to life that encompasses diverse perspective focusing on creating wholeness in Body, Mind and Heart. Friends of Wholism publishes a quarterly and can be contacted by writing: Friends of Wholism, P.O. Box 40801, New Bedford, MA.02744.

TRIPS TO VIEW HARBOR SEALS

Each year harbor seals use Pease Ledge and Gull Island off Cuttyhunk Island as an overwintering site, and each year the Lloyd Center for Environmental Studies offers one-day excursions to this area to view them. Come join this fun learning adventure on one of the five scheduled trips this year. They are: Saturdays, December 10th, January 21st, February 18th, March 4th and April 1st. The group will meet at Pier 3 in New Bedford at 9:30 a.m. and will return at 4 p.m.

Computerized Info Search

A computerized information service open to the public at the Southeastern Massachusetts University library can provide access to over 300 databases.

Project ASC is a fee-based service which takes minutes to find information that would normally take hours or days of conventional research to collect.

"On-line searching can help businesses target and analyze markets, conduct merger and acquisitions analysis, track competitors, follow industry trends and find financial data," said Project ASC coordinator Barbara Donnelly.

Social service agencies and individuals are also among Project ASC's users, Ms. Donnelly said.

Databases available include economic and financial data, markets and technology, public companies, textiles, science, education, medicine, agriculture, patents and the social sciences. Depending on the database, the user could obtain just information, citations of articles or the entire article.

A basic $20 search fee is charged, said Ms. Donnelly. Costs vary depending on the database, but some charge five to ten cents per record. Project ASC is located on the second floor of the library. For further information telephone 999-8680 or 999-8678.

are being placed in the lobbies of each of the ten Plymouth Savings Bank offices. Because of the heavy demand for food which goes beyond the holiday season, the hope is that food supplies will be sufficient for distribution through the winter.

"This food collection program has been extremely successful in the past", said Bank President Thomas S. Olsen, "and, again this year, we urge all who can to help us respond to the needs of our neighbors."

In the Mattapoisett area food distribution will be handled by St. Anthony's Church.

NEW EXHIBITION
"PAINTINGS OF SEA AND SHORE"

The New Bedford Whaling Museum announces the opening of a new exhibition, "Paintings of Sea and Shore", consisting of highlights from its permanent collection of landscapes and marine paintings. Featured will be works by Clifford W. Ashley (1881-1947), Charles S. Raleigh (1830-1925), William Allen Wall (1801-1885), and other local artists. The exhibition on display in the Clifford W. Ashley Gallery will run through the spring.

The Museum's ongoing exhibits devoted to New Bedford's great age as the whaling capital of the world feature the 89'

Golf Tournament Nets $17,000.

The 6th annual Tobey Hospital Benefit Golf Tournament was a huge success. On behalf of the Hospital, President Charles S. Kinney acknowledged with appreciation Co-Chairmen Betty and John Young of Marion and the committee who planned the event. "We are grateful to the committee members, the many sponsors, and the participants," noted Kinney. "We also extend a special thanks to the Board of Governors of the Kittansett Club for their generosity, and to Tom Shea, Pro Shop Manager, for his assistance."

This year's generous proceeds of $17,000 will be applied toward the Hospital's current capital campaign to fund a new Emergency/Radiology wing.

The prizes this year were once again donated by the Acushnet Company and Timberline Honda. The Mayflower Cooperative Bank, as in the past, sponsored the luncheon for the event. Cranberry Growers of Ocean Spray participated for the first time in this event by sponsoring the golf carts. Invitations were printed courtesy of Reynolds DeWalt Company.

Each of the following sponsored one of the 18 holes: Marion Sports Shop; Representative Charles N. Decas; Hiller Co. and Hiller Fuels; Plymouth Savings Bank; Bay Pointe Village and Country club; Papillon, Inc.; Roehr Travel; The Sitting Duck; R.F. Morse & Son, Inc..; Settebello of Boston; Heirlooms, Unlimited; Virginia Barry Real Estate; Jay's Drug Store; J.S. Data Forms; Roger W. Converse Realtors; Spirits; and two anonymous donors.

Additional cash gifts were received from Win's Camera & Card Shop, Ansel W. Gurney House, Carl's Floor Covering and Furniture, Marion General Store, Inc., Melody Flower Shop, Smith & Neil Jewelers, Town & Country Cleaners, Mr. and Mrs. Ralph Hayden, and one anonymous donor.

Also contributing to the success of this year's benefit tournament was the quilt raffle which netted $2350. Nine friends of Tobey Hospital donated the handmade quilt. The raffle was coordinated by Betty Young of Marion, also co-chairman for the entire golf tournament.

Babysitter Course Postponed

Tobey Hospital's monthly Babysitter Training Course will not be offered in November or December. The classes will resume in January - dates to be announced.

50th Anniversary Celebrated

Approximately one hundred relatives and friends attended a 50th anniversary surprise party honoring Mr. and Mrs. Stephen Robbins on Saturday, October 29th, at the Wesley Methodist Church, Wareham. Cheryl Vermilya assisted by her two brothers, Bruce and Lonnie Robbins, arranged the affair. Dorothy (Crittenden) Robbins, daughter of Gladys and the late Frederick Crittenden, and Stephen Robbins, son of the late Charles and Alice (Keys) Robbins were united in marriage at the Wesley Methodist Church on October 12, 1938, the late Rev. George Andrews officiating. Dot and Steve are lifelong, active members of the church. In addition to their three children, all nine of their grandchildren and all eleven of their great-grandchildren were in attendance. Following a prayer by the Rev. Marjorie Mollar a toast was offered by Bruce Robbins, followed by a buffet luncheon. A decorated three tier cake was cut by the honored couple. A money tree was presented to Dot

Billie Holiday Celebration

CABARET-STYLE TRIBUTE

"I Know About the Life", vocalist Semenya McCord's tribute to blues singer Billie Holiday, will be presented at 3 p.m. November 20th in the Campus Center at Southeastern Massachusetts University.

The cabaret-style performance will explore Holiday's life and work through music, dance, and narrative excerpts from Alexis de Veaux's prose poem, "Don't Explain: A Song of Billie Holiday". McCord will be accompanied by a jazz quartet of piano, bass, drums and saxophone. The performance is recommended for mature audiences.

Tickets are $4. for the general public, $3. for senior citizens and SMU alumni, faculty and staff, and $2. for SMU students. Parking is in lots 5 and 6. For more information call 999-8880.

26th, at 8:00 p.m. A master showman, lecturer and entertainer, Kreskin is the unchallenged superstar of the mysteries of the mind. Tickets are priced at $16.50, $14.50 and $12.50 with a $2.00 discount for senior citizens and students. Tickets are available at all ticketmaster locations. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

For over 30 years Kreskin has used his abilities as a parapsychologist to reveal thoughts of voluntary participants and to discover hidden objects. Not only has he performed for the likes of royalty and presidential families, he has also appeared in over 500 television programs, and served as the host of his own popular series seen on several continents. Acknowledging that he is an entertainer, Kreskin remains reverent about the scientific foundation of his work. Indeed, his highly developed skills have led to the discovery of crucial evidence in a series of major investigations for the criminal justice system.

As a mentalist, Kreskin endeavors through

his public performances to reveal the thoughts of participants. Undoubtedly, one of the highlights of the show is when he gambles on his own abilities by risking the fee for his performance. During the show, he instructs that his check be hidden anywhere on the premises. If he fails to find it, he forfeits his fee. Some of the more elaborate attempts to conceal the check have included cooking it into the stuffing of a turkey, sewing it into a tablecloth and suspending it in a chandelier. In well over 6,000 concert appearances he has only failed to find the check nine times. The Zeiterion audience may witness his tenth time.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford.

Youth Theatre Festival

"THE SNOW QUEEN"

The Zeiterion Theatre's Saturday Youth Theatre Festival continues with "THE SNOW QUEEN" presented by Das Puppenspiel Puppet Theatre on Saturday, November 19th, at 10:30 a.m. and 1:00 p.m. Fairhaven Savings Bank is the sponsor of the 1988-89 Saturday Youth Theatre Festival. General admission tickets are priced at $4.00 each. Tickets are available at all Ticketmaster locations. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

In a faithful adaptation of Hans Christian Anderson's classic tale of friendship, adventure and fantasy, Das Puppenspiel presents "The Snow Queen" with a combination of exquisitely crafted "bunraku" mask and rod puppets. Featuring an original musical score, the company follows the original tale of Gerda's quest to find her friend, Kai, who has been taken to the far north by the Snow Queen. During her search for Kai, Gerda encounters an array of adventures and characters, including a magic flower woman, a talking crow, a prince and princess and a dangerous "robber girl", eventually arriving in Lappland at the Snow Queen's palace.

Das Puppenspiel is an ensemble of eight diversely talented visual and performing artists with a single vision of creating and presenting quality theatre for children and adults, using puppets as portrayers of that vision. In recognition of its artistry, this company's "Theater with Puppets" has twice been selected to perform at the International Showcase of Performing Arts for Young People. This New York company has also been one of the only three puppet theaters in the United States to receive recognition and funding from the Theater program of the National Endowment for the Arts.

The Saturday Youth Theatre Festival continues on January 28th with "Come Back, Amelia Bedelia and Other Stories", followed by "Dinosaur Days" with Slim Goodbody on March 4th, and concluding with Stromberg and Cooper on April 29th.
